Physicians

This activity has been planned and implemented in accordance with the Institute for Medical Quality and the California Medical Association's CME Accreditation Standards (IMQ/CMA) through the Joint Sponsorship of the Perinatal Advisory Council: Leadership, Advocacy and Consultation (PAC/LAC) and Kings County Department of Public Health. PAC/LAC is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing education for physicians. PAC/LAC takes responsibility for the content, quality, and scientific integrity of this CME activity. PAC/LAC designates this education activity for a maximum of 2.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the *CMA Certification in Continuing Medical Education*.

Nurses

The Perinatal Advisory Council – Leadership, Advocacy and Consultation (PAC/LAC) is an approved provider by the California Board of Registered Nursing Provider CEP 5862. This course is approved for 2.0 contact hours of continuing education credit.

Preconception Health Care Education

Healthy Kings
WHY NOT?

Let's take action now,
Together we can make a difference

Guest Speaker:

Michael Lu, MD, MPH

UCLA Medical Center
Associate Professor,
Department of Obstetrics & Gynecology
& Public Health at UCLA

Preconception Health Update

Objectives

Review the components that contribute to preconception health

Understand that promotion of preconception health and early entry into prenatal care are essential birth defects prevention strategies

Appreciate that there is an urgent need to incorporate preconception health into every aspect of a woman's health care during her reproductive years

Kings County Department of Public Health

Mission Statement

Our Mission is to promote the physical, mental, social, and environmental health of the people of Kings County.

Kings County Maternal, Child, and Adolescent Health

Mission Statement

To promote the maternal and child health and well being in order to reach the optimal experience of a safe, healthy, and nurturing environment whereby promoting and encouraging positive health behaviors resulting in individual responsibility in the health process coupled with equal access and awareness of community resources, prevention services, and primary health services thereby leading to a sense of self-worth and responsibility to self, culture, and society.
