

California Health Collaborative Cancer Assistance Fund

Cancer Assistance Fund

These funds provide assistance to individuals who have no other means available to pay for breast and/or cervical cancer outreach, education, diagnostics and/or treatment services.

80% of funds go directly to patient care for services in our community as follows:

- Medical claims reimbursement for breast and/or cervical cancer diagnostics
- Ancillary services to facilitate an individual's ability to comply with treatment and follow-up for breast and/or cervical cancer
- Assistance for ancillary services/products such as: transportation, child/elder care, bras, prostheses, lymphedema garments

20% of funds go directly towards outreach and education to individuals in our community regarding breast and/or cervical health as follows:

- Community events such as health fairs, cultural fairs, etc.
- Tailored health education sessions

Donations are accepted by the California Health Collaborative.

The Collaborative is a local non-profit 501 (c)(3) organization.

All donations are therefore tax deductible.

Make checks payable to: The California Health Collaborative.
